STEERING COMMITTEE

1. The business and affairs of the corporation shall be managed by the **Steering Committee**. Unless otherwise provided by statute, all powers vested by law in the Health Humanities Consortium LLC shall be exercised by or under the authority of the Steering Committee (SC). Insofar as these by-laws refer to members, or membership,

they shall mean non-statutory members who shall have rights only as defined and described in these by-laws and not the rights automatically ascribed to “members” as the term is used in the Nonprofit Corporation Law of 1988, as amended.

2. The SC shall be referred to publicly or otherwise as the “Steering Committee” (“SC”), until such time as the SC in its discretion adopts by-laws setting forth discrete terms of office for directors and a process for nomination and election of their successors. This shall occur when the SC determines that the consortium has a sufficient number of members (where “members” refers to non-statutory, i.e. non-voting, members) to justify the transition to a membership organization.
3. The Members of the Steering Committee (SC) shall serve without pay and consist of no more than 12 members. As approved at the HHC annual meeting in 2018, SC members will each serve for period of no longer than 3 years and will then rotate off the SC. Their service can be renewed for a second, consecutive term. At least 3 members will be scheduled to rotate off the committee each year to allow for 3 new or renewing volunteer members to join the committee.
4. The Members of the SC will be selected by a sub-committee of the chair or co-chairpersons, treasurer and two members of the SC from those paying members of the HHC who volunteer to serve.
5. Members of the SC who have been unable to attend 50% of the meetings of the Committee shall be deemed to have stepped down. Members of the SC who have not paid their annual dues by January 31 of a dues-year shall be deemed to have stepped down.
6. A simple majority of Members of the SC present shall constitute a quorum.
7. The treasurer(s) and other SC members shall not be personally liable, as such, for monetary damages for any action taken, or any failure to take any action, unless:
 - a. the treasurer(s) or other SC members have breached or failed to perform the duties of his or her office in accordance with the applicable standard of conduct contained in section 15 Pa. Cons. Stat. Chapter 57, Subchapter B and any amendments and successor acts thereto; and
 - b. the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness.

This section is intended to constitute a bylaw authorized by 15 Pa. C.S. §5713(a). It shall not apply to the responsibility or liability of an SC member pursuant to any criminal statute; or the liability of an SC member for the payment of taxes pursuant to Federal, State or local law. Where the negligence standard contained in Pa.C.S. § 8332.2 applies

to the conduct of the director in question, then this section shall be applicable only to abridge, not to enlarge, a director's exposure to liability for civil damages.

INDEMNIFICATION OF DIRECTORS, OFFICERS, AND OTHER AUTHORIZED REPRESENTATIVES

1. Scope of Indemnification. The HHC corporation shall indemnify an "Indemnified Representative" against any "Liability" actually and reasonably incurred by him or her in connection with any "Proceeding" in which the "Indemnified Representative" may be involved, as a party or otherwise, by reason of the fact that such person is or was serving in an "Indemnified Capacity" (as such terms in quotations are defined below), including without limitation, liabilities resulting from any actual or alleged breach or neglect of duty, error, misstatement or misleading statement, negligence, gross negligence or act giving rise to strict or products liability, except:
 - a. where such indemnification is expressly prohibited by applicable law;
 - b. where the conduct of the Indemnified Representative giving rise to the claim for indemnification has been finally determined by a court of law:
 - i. to have constituted willful misconduct or recklessness within the meaning of 15 Pa. Const. Stat. § 5746(b) or any superseding provision of law sufficient in the circumstances to bar indemnification against liabilities arising from the conduct; or
 - ii. to be based upon or attributable to the receipt by the Indemnified Representative from the corporation of a personal benefit to which the Indemnified Representative is not legally entitled; or
2. Partial Payment. If an Indemnified Representative is entitled to indemnification in respect of a portion, but not all, of any Liabilities to which such person may be subject, the corporation shall indemnify the Indemnified Representative to the maximum extent for such portion of such Liabilities.
3. Presumption. The termination of a Proceeding by judgment, order, settlement or conviction or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the Indemnified Representative is not entitled to indemnification.
4. Definitions. For purposes of this Article:
 - a. "Indemnified Capacity" means any and all past, present and future service by an Indemnified Representative in one or more capacities as a director, officer, employee, agent or representative of the corporation, or, at the request of the corporation, as a director, officer, employee, agent, fiduciary or trustee of

another corporation, partnership, joint venture, trust, employee benefit plan or other entity or enterprise;

- b. "Indemnified Representative" means any and all directors and officers of the corporation and any other person designated as an Indemnified Representative by the Steering Committee;
 - c. "Liability" means any damage, judgment, amount paid in settlement, fine, penalty, punitive damages, or cost or expense, of any nature (including, without limitation, attorneys' fees and disbursements); and
 - d. "Proceeding" means any threatened, pending or completed action, suit, appeal or other proceeding of any nature, whether civil, criminal, administrative or investigative, whether formal or informal, and whether brought by or in the right of the corporation or otherwise.
5. Proceedings Initiated By Indemnified Representatives. Notwithstanding any other provision of this Article, the corporation shall not indemnify under this Article an Indemnified Representative for any Liability incurred in a Proceeding initiated (which shall not be deemed to include counter-claims or affirmative defenses) or participated in as an intervenor or amicus curiae by the person seeking indemnification unless the initiation of or participation in the Proceeding is authorized, either before or after its commencement, by the affirmative vote of a majority of the members of the Steering Committee in office.
 6. Advancing Expenses. The corporation shall pay the expenses (including attorneys' fees and disbursements) incurred in good faith by an Indemnified Representative in advance of the final disposition of a Proceeding described in Section 1 of this Article or the initiation of or participation in which is authorized pursuant to Section 5 of this Article upon receipt of an undertaking (e.g., an agreement) by or on behalf of the Indemnified Representative to repay the amount if it is ultimately determined that such person is not entitled to be indemnified by the corporation pursuant to this Article. The financial ability of an Indemnified Representative to repay an advance shall not be a prerequisite to the making of the advance.
 7. Insurance. The corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, or other representative or agent of the Corporation, or is or was serving at the request of the Corporation as representative of another domestic or foreign Corporation, for-profit or not-for-profit, partnership, joint venture, trust or other enterprise against any liability asserted against her or him and incurred by her or him in any such capacity, or arising out of her or his status as such, whether or not the Corporation would have the power to indemnify her or him against such liability under the provisions of this Article.

8. Payment of Indemnification. An Indemnified Representative shall be entitled to indemnification within thirty (30) days after a written request for indemnification has been delivered to the secretary of the corporation.
9. Contribution. If the indemnification provided for in this Article or otherwise is unavailable for any reason in respect of any Liability or portion thereof, the corporation shall contribute to the Liabilities to which the Indemnified Representative may be subject in such proportion as is appropriate to reflect the intent of this Article or otherwise.
10. Mandatory Indemnification. To the extent that an Indemnified Representative of the corporation has been successful on the merits or otherwise in defense of any action or proceeding referred to in 15 Pa.C.S. § 5741 (relating to third-party actions) or § 5742 (relating to derivative and corporate actions) or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorney's fees and disbursements) actually and reasonably incurred by such person in connection therewith.
11. Contract Rights; Amendment or Repeal. All rights under this Article shall be deemed a contract between the corporation and the Indemnified Representative pursuant to which the corporation and each Indemnified Representative intend to be legally bound. Any repeal, amendment or modification hereof shall be prospective only and shall not affect any rights or obligations then existing.
12. Scope of Article; Other Rights of Indemnified Person. The rights granted by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification, contribution or advancement of expenses may be entitled under any statute, agreement, vote of member or disinterested directors or otherwise, both as to action in an Indemnified Capacity and as to action in any other capacity. Notwithstanding anything to the contrary in this Article, the corporation shall indemnify all officers, directors, and committee members of the Society to the full extent permitted under Pennsylvania law.
13. Reliance on Provisions. Each person who shall act as an Indemnified Representative of the corporation shall be deemed to be doing so in reliance upon the rights provided in this Article.
